Outdoors presentation

Provided by: Microsoft Corporation

Produce a presentation for any project with this outdoor PowerPoint template featuring nature images and clean graphics. Optimize your message with video, charts and tables, and photographs that help make your point clear and concise. Use this outdoors PowerPoint template to promote a lifestyle business, share information on a travel destination, and much more. Your outdoor presentation is easy to create and refine with PowerPoint's design tools and preformatted slides. This is an accessible template.
